Main State Building
PA Washington D.C 20520

Dear Secretary Vance

I'am sure you know already something about the great good being accomplished by the Peoples Temple in Guyana. 18 Agriculture experts from all over the World just visited and were amazed at the phenomenal progress being made. It is difficult to understand how anyone could oppose a work doing so much to find any way to feed the hungry people of this world.

Thank you for your concern.

Sincerely yours

[redacted]
